He submerges my will, makes me forget them.

They are now scared of me.

They whisper bad things about me.

Darkness truly loves me

She wants me to be her friend

She wishes me back the old me

She wants the weak me back

Darkness needs me to live

I'm surrounded by my fears,
Haunted with shackles, he sends me straight to tears.
I'm not aloud to cry, cause he told me I will die,

my body sees, but I don't feel it. He likes the darkness

Watching from somewhere else.

Chapter 7 by Eis Imperatore

Watching from above,

Watching as I am trapped in my own body,

Watching as Darkness uses me to murder the ones I love, the ones I know, and the strangers that I never knew and never will.

/(It is not murder, they now know the true meaning of power!)/

It's the third day, and the headlines are already proclaiming that a serial killer is on the loose. He doesn't care. He only whispers sweet temptations- oh, the promises- /if I only let go- /

I- or rather, Darkness, slides from the banister, lithely leaping at the door like a feral creature. /(Today is the day we will show the world who we are!)/ It is the final task. The final thing stopping me from giving in.

The door crumples in with ease like a cardboard wall, crashing with a muffled thud on the carpeted floor, to revealing a poor babe, lying there in its crib. There is no reaction, aside from the sudden wailing. The parents are gone, of course. The Dark had made sure of that.

I scream as he approaches- and he responds with a punishing jab, burning my flesh, searing my very insides. /(You will see!)/ I try to resist. Oh, I do try, so hard-

But I can only helplessly watch as he licks his lips, eyes flickering with a perverse wildness, a gruesome smile twisting his features, as he languidly leans over the poor, innocent child. The last barrier standing between us.

And I am utterly /powerless/ to stop him.

Wait i can feel! i am in control of my body now but that sense of shame is so immense, how can I someone so unworthy and utterly evil stand in this beautiful and ethereal entity's presence.

"You can still resist him all you have to do is take my hand"

Yes all i have to do is take her hand its so easy.

(Those kids that bullied you, have you already forgotten what i did for you?)

No you made me kill my mom and dad.

(You wanted to kill them yourself you enjoyed the power that i gave you)

You're LYING, i sobbed because deep down i knew that i had wanted to hurt them.

(Yess i am your only friend the only one that understands you)

His voice is dark and seductive is he right? he only wants me to be strong and i am not worthy of Lady light, i slowly retract my arm.

"I cannot and will not force you to come back,i am not as cruel as him but after you commit this act you will forever be his"

Her eyes were filled with pity

(Everyone that you killed was with the light.)

(Did she help them?)

(NO!)

(Don't listen to her she just wants you to be weak and powerless again.)

(Stay here with me,This Is Where You Belong)

I can see them both now one dark and handsome with a tint of madness in his eyes and the other the embodiment of love and kindness

(Do it)

"I know you will make the right decision"

Looking at my ownretched hand holding the knife i am keeping busy i made my decision
